

# 11<sup>th</sup> Annual Biotech Industry Conclave 2025

**22<sup>nd</sup>-23<sup>rd</sup> August 2025**  
**Campus 11, Auditorium**

**Organized by**

**KIIT School of Biotechnology,  
KIIT-DU, Bhubaneswar**

Theme

## **BIOENTERPRISE**

***Bridging Science, Startups & Scale***

### **ABOUT THE PROGRAM**

- A platform for collaboration between industry stalwarts, startups, academia leading to strategic partnerships.
- Translating the cutting-edge biotech research into market-ready innovations and application.
- Eventful brainstorming session to spark innovative ideas and collaborative solutions.
- A conglomerate and umbrella event for healthcare, agriculture, environment, & industrial biotechnology.

### **KEY TAKEAWAYS**

- Importance of commercialization: bench to brand  
Role of technology in sustainable practices and food security.
- Utilizing molecular diagnostics to understand and provide personalized healthcare.
- Innovative interventions in biopharmaceuticals for positive impact and "good health".
- Preparing students for the demands and opportunities for Industry 4.0.

### **SESSIONS**

#### **Biopharma:**

Transforming healthcare through precision, intelligence, and innovation.

#### **Human Resources & Leadership in Biotech:**

Building tomorrow's biotech leaders through skill, vision, and inclusivity.

## FOUNDATION

School of Biotechnology at KIIT having laid its foundation stone by Nobel Laureate Prof. Richard R. Ernst (Nobel Laureate, 1991) & inaugurated by Prof. Hans Hengartner, Noted immunologist & Prof. Rolf Zinkernagel (Nobel Laureate 1996) in 2007, set up with a clear mission to pursue excellence in the field of biotechnology.

The School has been awarded the "Centre of Excellence" by Department of Biotechnology (DBT), Govt. of India, Fund for Improvement of S & T Infrastructure (FIST) and DBT-Boost to University Interdisciplinary Life Science Departments for Education and Research (BUILDER). The School has a very strong research fora, where currently about 52 research projects funded by various government / international/industry are running and our research work has been published in journals of international repute.

## OUR INSPIRATION

**Dr. Achyuta Samanta**  
Founder

Dr. Achyuta Samanta, a visionary philanthropist is the founder of KIIT & KISS Universities. Coming from a very humble background with a vision to eradicate poverty through education, has developed a unique model of social transformation by building side by side two great academic institutions - Kalinga Institute of Industrial Technology and Kalinga Institute of Social Sciences. This unique symbiotic model has grown over the past 25 years into two distinct excellent centers of educations. Over 20 Nobel laureates and over 100 Heads of States have visited KIIT and KISS and applauded the developmental model.
